To Whom In May Concern:

RE: Letter of Reference: SERVCON Inc. – 25 West Beaver Creek Rd, Unit 13, Richmond Hill, ON, L4B 1K2

TELSTORM Corp. has been asked to corroborate the qualified experience and services that SERVCON Inc. can provide. This letter will outline SERVCON's qualities during the period of collaboration with TELSTORM Corporation.

Over the years, TELSTORM has worked with SERVCON on a wide variety of projects pertaining to, but not limited to both private and public sectors. The work efforts exemplified by SERVCON illustrate a high level of technical competence, which is a reflection of their exceptional values. On several occasions, they have shown that they are adept to satisfying client needs by upholding scheduling commitments, and are fully capable of containing construction costs within established project budgets.

We trust that this testimonial meets your current requirements. Working with SERVCON has surpassed our expectations and needs and as such, they come highly recommended. If you have any questions, please contact the undersigned at your convenience.

Yours truly,
TELSTORM Corporation

Mario Tata, P.Eng.
Principal
